Charles Dean offered the following resolution:

Whereas for the first time since 1949 the name of Sabin N. Guertin does not appear on the Town ballot for the office of Town Clerk, his having served the Town faithfully for a total of 18 years and 7 months, this being the longest single term as Town Clerk in Canterbury,

And whereas Sabin N. Guertin first ran for the office of Town Clerk in 1929, and after serving a year's term moved to Penacook, returning in 1938,

And whereas he was appointed Town Clerk in Jan. 1949 by the Selectmen to complete the unfinished term of Louis D. Morrill, and has run for this office every year thereafter, always receiving the highest plurality of any candidate on the ballot,

And whereas, the duties of Town Clerk having increased 8 fold, the receipts from 1929 bring $924.34, and in 1967 bring $8,537.55, Sabin N. Guertin was at all time available and always willing to accommodate everyone who required his services,

Be it therefore resolved that the Town of Canterbury show its appreciation for the service Sabin N. Guertin has given during his term as Town Clerk, by causing a copy of these resolutions to be printed in the Town Report of 1967, and by directing the Selectmen to present this hand lettered copy of these resolutions to him.

and moved the adoption of this resolution. Duly seconded. Motion unanimously accepted.

Doug Ruesswick gave a report on the Canterbury Fund and urged all people in town to donate their time and help.

Recess at 11:25 until the results of the balloting came in.

CEMETERY COMMISSIONERS' REPORT

During the past year the Cemetery Commissioners were more successful in their search for manpower than they had been in previous years. The larger cemeteries were kept in comparatively good condition and the small family cemeteries were brought back from brush-filled tangles to areas in which a power-mower can be used. We purchased a new power-mower in mid-season and have been well pleased with the suitability of the machine to our needs.

Dead trees were removed from the Center Cemetery. This was a rather expensive procedure, but the risk of injury to passers-by or damage to markers in the area made their removal imperative.

The gates in the Center Cemetery were freshly painted. If the person or persons who removed the gate from the Pallett Cemetery in the Borough would replace it, we would paint that gate. The gates on the remote cemeteries help keep roaming cattle out of burying grounds and prevent much toppling of markers, thereby reducing expenses.

The newly graded area in Maple Grove has been mapped and lots may now be purchased by those wishing to take care of this inevitable need prior to a time of family sorrow.

It has been decided to plant a line of flowering shrubs on the south boundary line. Contributions of suitable shrubs are solicited for spring planting.

Copies of cemetery regulations as adopted at town meeting are available. Your cooperation in complying with these rules is requested. The rules regarding use of breakable containers and of doing work on lots without approval are the commonly violated ones. The first rule was adopted to provide more safety for cemetery

personnel whereas the other is to insure minimum care requirements.

Our cemeteries are Memorial Parks, and we encourage genealogical research or quiet contemplation. However, horseback riding, snow-mobiling and beer parties have no place in them — Please reserve these areas to honor our dead. There are many miles of roads and trails for the more venturesome pursuits.

REPORT OF THE CANTERBURY FUND

Canterbury residents were again fortunate during 1968. There were no major personal disasters that could not be met financially. On the recommendation of the Loan Committee the Trustees made grant loans to two Canterbury families in the amount of $231.91. Such loans are made without interest and carry a moral but not a legal obilgation of repayment.

The 1968 Canterbury Fair was again successful and the Fund received a donation from the Fair Committee of $1,500.00. The financial status of the Fund:

Balance in banks, December 31, 1967		$3,835.86
Interest received	$ 166.27	
Donation — Fair Committee	1,500.00	
		1,666.27
Total		$5,502.13
Grant Loans made		231.91
Balance in banks, December 31, 1968		$5,270.22

The power of the Trustees to make grant loans on recommendation of the Loan Committee is defined in the trust instrument thus:

> "The purposes of this Charitable Trust are to aid financially, or in any other manner deemed reasonable and necessary, those Canterbury, New Hampshire, residents who are in need of financial assistance due to destruction of their home or other hardship resulting from accident, due to poor health of any member of the immediate family, due to the

need for special education or treatment as the result of physical or mental handicaps of any member of the immediate family; or for higher education of worthy students."

Applications for aid may be made confidentially to any of the Trustees or any member of the Loan Committee.

The Fund will again share in the profits of the Canterbury Fair which will be held on July 26, 1969. Everyone can aid the Canterbury Fund by doing everything possible to make the Fair a success. The Trustees request your assistance in this way.

ELKINS PUBLIC LIBRARY

Trustees' Report

This has been a year of changes at Elkins Public Library

First of all, Mrs. Andrew Fowler, our librarian of fifteen years resigned, due to increasing responsibility in her job at St. Paul's School. Our Board of Trustees reluctantly accepted her resignation, and signed on Louisa Jackman, who had served as librarian prior to Mrs. Fowler. Miss Jackman has just about worked back into her old job; some of you may find her comparison of the library and its patrons of twenty years ago with today's of some interest.

Changes have occurred within the library stacks themselves; Friends of the Library and librarians have spent many hours weeding, marking, shelving, cleaning, filing —and finally, manning the check out desk. Special thanks go to Mary Hutchins, who has shelved all the books since last spring, Janet Hutchinson, for her eternal card filing efforts, and Yvonne Handel, who has reorganized the entire school program. All Canterbury School children now have library borrower's cards, and come to the library once a week.

In weeding our collection, Mr. Parent, of the State Library, noted that several of our classics, particularly in the childrens' section, needed replacements. Therefore, a good part of our book purchases in recent months has been in this vein. Please come see some of our "new classics."

Renovation of the cellar has progressed slowly and thoughtfully. It became obvious fairly early that our board needed an architect to plan this room, and at the recommendation of the Selectmen, we chose Henry Newell, of Concord, who drew up some very complete

plans and specifications for us, which our board approved, with some minor changes.

During the year we learned that federal funds are available for just the sort of project we are undertaking in our cellar — up to 40% of the total cost. Mr. Emil Allen, of the State Library, came out to look over our plans, cellar, make suggestions, and send us applications for this federal money for the coming year. Our board simply asks that you, the voters, allow us to accept this federal aid if granted.

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT, INC.

The Fire Dept. made 20 runs during the year; 2 chimney fires, 2 buildings, 1 trailer, 1 car, 5 grass fires, 1 bush, 6 false alarms and 2 Mutual Aid.

It was decided by the Selectmen and the Fire Dept. not to build the new Fire Station as the final cost estimate exceeded the amount voted on by the 1968 Town Meeting.

It was also decided that a better location and utilization of the land would be to, (1) build an addition on the back of the Town Garage for the Highway Dept. (2) Turn the present Town Garage over to the Fire Dept. This will be discussed and voted on at this year's Town Meeting.

The new tank on the International Fire Truck was not built, because the planned work space to build it in, did not develop.

ROBERT V. LEE,
Fire Chief,
Forest Fire Warden

REPORT OF TOWN AUDITORS

We have examined the records of Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Road Agent, Elkins Public Library, Canterbury Volunteer Fire Department and the Selectmen for the year ended December 31, 1968 and have found their accounts correctly cast and properly vouched.

REPORT OF THE PLANNING BOARD

During the 1968-1969 year the Planning Board has met at the Selectmen's office at least monthly at 7:30 p. m. on the second Thursday of the month. These meetings are open to all and some have availed themselves of the invitation.

By request consideration has been given to certain amendments to the zoning and building ordinance and it was decided to offer proposals to do with mobile homes to test the will of the people in this connection.

The Board adopted a new town map and printed copies are being made available to all.

Again the Board offers an article having to do with regional planning and recommends its adoption. Canterbury's population has increased 30 per cent in eight years which clearly foreshadows things to come. We feel that such planning is advisable if we are to continue to keep Canterbury a nice place in which to live.

MINUTES OF THE SPECIAL MEETING OF THE CANTERBURY SCHOOL DISTRICT

March 6, 1968

The meeting was called to order at 8:00 p. m. by the Acting Moderator, Nancy Lilly. The warrant was read.

The Acting Moderator called for nominations from the floor for Temporary Moderator for this meeting and the regular school meeting to be held March 9th. Robert Lee was nominated by Robert Lockwood, and Catherine Dickson seconded. The nominations were closed and Robert Lee was unanimously voted in as Temporary Moderator by a voice vote.

The Moderator again read the article in the warrant. Robert Lockwood moved that the article be approved as read. Seconded by Everand Young. The article reads as follows:

> "Shall the proposed agreement of annexation on file with the district clerk, joining Canterbury School District to the Winnisquam Regional Cooperative School District be approved?"

Various members of the School Study Committee reported their findings. Discussion followed, most of which dealt with the accreditation of the Winnisquam Regional Cooperative School by the State and by the New England Association of Accredited Schools.

A checklist vote was then taken and this article was passed by a vote of 97 to 32. However, Robert Lockwood then announced that the Winnisquam Regional Cooperative School District had voted down this article by a vote of 533 to 102.

The meeting was adjourned at 9:55 p. m.

By mutual agreement between the School Board and the Moderator, this article is to be taken up at the end of the meeting.

MINUTES OF THE SPECIAL MEETING OF THE CANTERBURY SCHOOL DISTRICT

July 8, 1968

The meeting was called to order at 7:40 p. m. by the Moderator, Robert Lee. The warrant was read.

William Colburn moved the adoption of the article. Seconded by Richard Robinson.

Robert Lockwood offered an amendment to the article to the effect that the Moderator appoint a committee of three persons to work with the Canterbury School Board in this study and that the appointments by the Moderator be approved by the School Board.

The Moderator felt that this motion was unnecessary because the School Board is fully authorized to make this study and have the power to appoint anyone they need to help them.

Robert Lockwood felt that this amendment was necessary to relieve the pressure on the School Board so that they could devote their time to the running of the Board. Robert Hill seconded the motion. The question was raised as to whether or not the Board needed this additional help and the Board said they would definitely like to have the help of some of the people who had worked on the previous study. The amendment was passed by a voice vote.

Richard Stevens announced his resignation from the Canterbury School Board as of tonight.

The question was asked whether or not the School Board could give us some idea of the possible cost of the merger, whether or not we will have this information before any final action is taken and whether or not this

will be brought back to the town before final action. The Board said there would have to be a final vote on annexation and there would have to be a public hearing in all of the towns involved before any vote comes up.

The article as amended was passed by a show of hands vote of 42 to 4.

The meeting was adjourned at 7:50 p. m.

NANCY LILLY,
Canterbury School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the members of the School Board and Residents of Canterbury:

During the past school year a remedial reading and math program was developed and implemented under Title I of the Elementary and Secondary Education Act of 1965. This program began during the spring months and culminated with a summer program.

The program will operate during all of the present school year but will have no classes during the summer of 1969.

During the year, interior painting was completed in still another classroom. New tile was installed in the hall and classrooms as needed. Other painting and repair work will continue during the coming year.

The pressing problem of the district continues to be placement of pupils in grades seven through twelve. Every effort is being made to provide for the needs of all pupils when they complete the work of the Canterbury school.

Grades two, four and six participated in a State-wide testing program during the year. This is an expanded testing program financed by State and Federal funds. Previously this program has applied only to grade eight in the elementary schools of the state.

As this program continues, valuable educational data will be accumulated and made available to the various districts for their use in evaluation and possible revision of the elementary school programs of New Hampshire.

RAYMOND E. MORTON,
Superintendent of Schools
